WE BELIEVE

IL NOSTRO MANIFESTO

Siamo un team di professionisti e designer e Caos Creativo è il brand che abbiamo fortemente voluto. Un progetto di design che ha alle spalle l'esperienza progettuale di Rossi&Co. In ogni scelta che facciamo e in ogni prodotto che sviluppiamo ci sono cinque punti che ci tengono uniti e che formano il nostro manifesto per un design fatto di gioco, gentilezza e dettagli.

We are a team of professionals and designers and Caos Creativo is the brand that we really wanted. A design project that has behind it the design experience of Rossi&Co. In every choice we make and in every product we develop there are five points that hold us together and form our manifesto for a design made up of play, kindness and detail.

_ DETAILS MATTER

I dettagli fanno la differenza. Si può anche scegliere un divano moderno o recuperare il mobile della nonna, quello che conta è valorizzarlo con una carta da parati su misura o con un tavolino di design. Per un arredo unico.

Details really do make a difference. You can even choose a modern sofa or salvage your grandma's old one, but what will really count is your ability to enhance it with custom wallpaper or with a designer coffee table. That's what will make your interior decor genuinely unique.

_ WE ARE BORN TO HAVE FUN

Il nostro brand è nato per esprimere la nostra creatività. Libertà progettuale, spensieratezza, piacevolezza, creatività: sono queste le parole fondanti di Caos Creativo. Siamo nati per divertirvi.

Our brand was born to express our creativity. Design freedom, a carefree spirit, amiability and creativity: these are the concepts Caos Creativo is cemented on. We were born to have fun.

_ BE NICE AND BE KIND

In questo punto c'è il nostro modo speciale di fare le cose: con gentilezza. Siamo un team che nel servizio di consulenza e assistenza ha trovato la sua forza. Vogliamo che chi sceglie i nostri prodotti si senta sempre accolto.

This point explains our particular way of doing things, i.e. kindly. Our team bases its strength on our consultancy and assistance service. We want everyone who chooses our products to feel really welcome.

_ HUMAN FIRST

Dietro Caos Creativo ci sono delle persone che progettano e creano per altre persone, con la direzione artistica di Rossi&Co, dove il design mette al centro l'uomo e lo segue nel suo quotidiano.

Behind Creative Chaos there are people who design and create for other people, with the artistic direction of Rossi&Co, where design puts people at the centre and follows them in their daily lives.

_ NOBODY'S PERFECT

Vogliamo entrare nelle case, alberghi, ristoranti e negozi di tutti. E non è un problema se aprendo la porta qualcosa sarà fuori posto. L'importante è che ci sia il gusto e l'identità di chi si prende cura dei propri spazi.

We want to be part of everyone's home, hotel, restaurant and shop. And it's not a problem if things aren't in place when you open the door. The only important things that need to be in place are the taste and identity of the person taking care of the space.

WE ARE HUMANS

Caos Creativo è un brand di design 100% pensato e prodotto in Italia, che progetta e realizza decorazioni per pareti e arredo per case, alberghi, ristoranti e negozi. La nostra idea di arredo mette al centro le persone e il loro desiderio di abitare un luogo in cui ogni dettaglio ha la sua importanza. Prendiamo ispirazione da un'idea di design gioioso, conviviale, colorato, che apre le porte e si lascia contaminare da stili diversi, senza mai essere snob.

Caos Creative is a designer brand completely invented and produced in Italy that designs and makes wall decors and furniture for homes, hotels, restaurants and shops. Our idea of furniture focuses on people and on their desire to live in a place that gives the right importance to every detail. We get our inspiration from a joyful, convivial, colourful concept of design that is open to - and lets itself be contaminated by - different styles without ever becoming lofty.

WE ARE BORN TO HAVE FUN.

Noi di Caos Creativo uniamo talenti ed esperienza al desiderio di divertirci. La nostra ambizione è quella di essere abbastanza grandi da fare la differenza, e allo stesso tempo di rimanere agili per creare soluzioni di design sempre nuove. Con la convinzione che facciamo del nostro meglio quando lo facciamo insieme.

At Caos Creativo, we combine talent and experience with a desire to have fun. Our ambition is to be big enough to make a difference, and at the same time remain flexible enough to create new design solutions. With the firm belief that we're at our best when we do it together.

Caos Creativo nasce dall'immaginazione di Rossi& Co., uno studio di comunicazione e design specializzato nel settore dell'arredamento e dell'interior design, che porta nel brand la sua esperienza progettuale e la direzione artistica. Visionari, affidabili, collaborativi e d'impatto: sono questi i valori che abbiamo in comune e che insieme formano il nostro metodo di lavoro.

Caos Creativo was the brainchild of Rossi& Co., a communication and design studio specialising in furniture and interior design and which brings its design experience and artistic direction to the project. Visionary, reliable, collaborative and impactful: these are the values that define us and that we share in our work and in our creations.

WALL DECOR

Abbiamo immaginato una collezione di carte da parati, pannelli e quadri capaci di portare carattere in un arredo semplice e sofisticato, allo stesso tempo. Grazie alla decorazione grafica ogni ambiente può essere rinnovato: dalla camera da letto alla cameretta dei bambini, dalla sala da pranzo al soggiorno. Tante idee per persone curiose che vogliono prendersi cura di ogni dettaglio.

We have conceived a collection of wallpapers, panels and frames that can add character to a decor that is concurrently simple and sophisticated. Thanks to graphic decoration, every room can be renewed: from adults' bedrooms to kids' bedrooms, from dining rooms to living rooms. Numerous ideas for curious people who want to take care of every detail.

CARTE DA PARATI

Le nostre carte da parati nascono per fare la differenza in ogni ambiente. Un dettaglio di design facile, lavabile e resistente al tempo che rende unica ogni stanza.

Our wallpapers are created to make a difference in any room. An easy, washable and durable design detail that makes every room unique.

DECOR PANEL

La forza dei pannelli decorativi è nella loro capacità di trasformare una stanza. Anti graffio, anti macchia, lavabili e resistenti, i pannelli decorativi sono ideali in cucina.

The strength of decor panels lies in their ability to transform a room. Anti-scratch, stain-resistant, washable and durable, decor panels are ideal for kitchens.

BIG SIZE & FRAME

Grandi stampe di design per arredare le pareti. Quello che rende unici i Big Sizes sono le dimensioni, davvero imponenti, mentre i Frame, sempre su tela, sono definiti in una cornice.

Big design prints to decorate walls. What makes the Big Sizes unique is their size, which is truly impressive, while the Frames, also on canvas, are defined, as the name suggests, by a frame.

BOTANICAL WALL

Le stampe botaniche sono esempi di una tradizione che affonda le sue radici nell'antichità greco-romana con gli erbari, straordinarie raccolte di illustrazioni per medici ed erboristi. L'arte botanica vive oggi una nuova fioritura con il ritorno delle carte da parati e un rinnovato interesse e amore per la natura.

Impara l'arte, o meglio, riproduci l'arte e mettila sulle pareti: è questo il filo conduttore di una serie di carte da parati ispirate liberamente alle correnti artistiche più celebri di ogni epoca e origine.

Learn art, or rather, reproduce art and put it on your walls: this is the leitmotif of a series of wallpapers freely inspired by the most famous artistic styles from every era and origin.

ARTE METAFISICA

Rappresentare gli oggetti in maniera nitida e statica andando oltre il loro aspetto percepito: l'avanguardia metafisica del XX secolo ispira oggi decorazioni che, attraverso giochi prospettici, creano spazi realistici nello spazio reale.

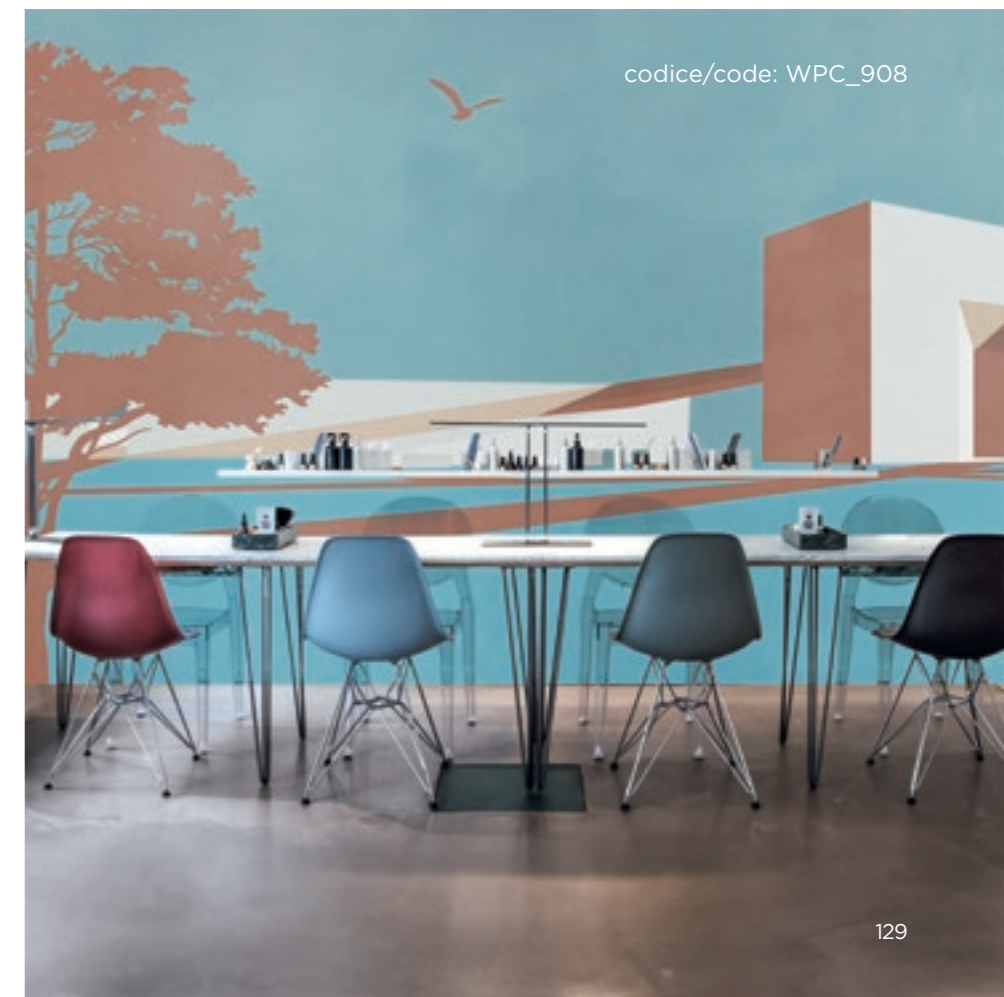

Representing objects in a distinct, static way that goes beyond their perceived appearance: the metaphysical avant-garde of the 20th century now inspires designs that, through plays on perspective, create realistic spaces in real space.

PITTURA ASTRATTA

Colori di varie tonalità e intensità si alternano sottoforma di righe di diverse altezze. Nel suo insieme, la carta da parati crea un piacevole ritmo visivo che diffonde armonia nello spazio.

Colours of various shades and intensities alternate in the form of stripes of different heights. Taken as a whole, the wallpaper creates a pleasing visual rhythm that spreads harmony throughout the space.

STILE ETNICO

Tanti punti che formano righe colorate: la carta da parati si ispira al puntinismo e lo reinterpreta in chiave etnica attraverso l'utilizzo di colori caldi e intensi oppure neutri e naturali.

Lots of dots forming coloured stripes: the wallpaper is inspired by pointillism and reinterprets it in an ethnic way through the use of either warm and intense colours or neutral and natural ones.

FLYING CARPET

Anche se ricorda un tappeto, la carta da parati non è stata concepita per essere calpestata bensì ammirata. I motivi geometrici sembrano realizzati dalle mani di un abile artigiano, invece sono opera di un graphic designer.

Although reminiscent of a carpet, the wallpaper is not meant to be walked on but rather, admired. The geometric patterns look as if they were made by the hands of a skilled craftsman but are instead the work of a graphic designer.

RIGHE E CAMPITURE

Tante righe, tutte sulla stessa carta da parati: sottili e ravvicinate che quasi non si vedono; spesse e distanziate per dare spessore; disposte in verticale e orizzontale a creare altre forme. Il risultato c'è e si vede.

So many lines all on the same wallpaper: thin and close together, almost invisible; thick and spaced out to give thickness; arranged vertically and horizontally to create other shapes. The result is there for all to see.

RITRATTI D'ORO

Una linea continua disegna i visi sottolineando i lineamenti marcati con un tocco dorato e prezioso. La carta da parati è una dedica a Picasso, ma nell'utilizzo dell'oro vuole omaggiare anche Klimt.

A continuous line draws faces, picking out their strong features with a golden, precious touch. The wallpaper is a dedication to Picasso, but in its use of gold it also pays homage to Klimt.

Le pareti sono volutamente segnate dal tempo con carte da parati dal sapore vissuto, che si mostrano in tutta la loro imperfezione. Se il troppo nuovo ti annoia e cerchi il giusto equilibrio tra passato e presente, questa selezione è giusta per te.

These walls have a deliberately aged appearance achieved by using wallpaper that imitates the signs of time, showing off its perfect imperfections. If you find brand new things boring and are looking to strike the right balance between the past and the present, this is the collection for you.

LOOK AND TOUCH

Le carte da parati riproducono visivamente la matericità del gesso e dell'intonaco rovinato. Due diversi effetti per superfici che viene voglia di toccare.

Wallpapers can replicate the texture of worn gypsum or plaster. Two different effects create surfaces that you will want to touch.

IF YOUR MOOD IS ELEGANT

Le antiche e preziose lavorazioni dei tappeti orientali vengono riprodotte sulla carta da parati per rivestire le pareti. La carta decora e arreda allo stesso tempo, con la sua forte presenza materica.

EFFETTO INTONACO

La (finta) incompletezza dà alla parete un aspetto non troppo vissuto né patinato, bensì un senso di autenticità.

Ogni quadro d'insieme che si rispetti è fatto da numerosi dettagli. Qui sono sicuramente i cambi di colore, appena accennati, ma combinati con maestria per una carta da parati diversa dal solito.

Every self-respecting picture is made up of numerous details. Here it is without a doubt the changes of colour, barely noticeable, but skilfully blended for a wallpaper that is different from the usual.

DRESS YOUR WALL

Come un filato leggero e naturale, la carta da parati impreziosisce la parete e si adatta a tutti gli stili di arredo. Le tonalità sobrie e neutre sono rese originali dal gioco di chiaroscuri che crea un ritmo visivo.

Like a fine natural yarn, the wallpaper enhances the wall and adapts to every kind of design style. Simple, neutral tones are given an unusual twist with the visual rhythm created by the chiaroscuro effect.

HAUTE COUTURE STYLE

La carta da parati è un intarsio elaborato, in cui trame ed elementi decorativi si intrecciano e si fondono insieme. Non un semplice sfondo, ma un complemento d'arredo a tutti gli effetti.

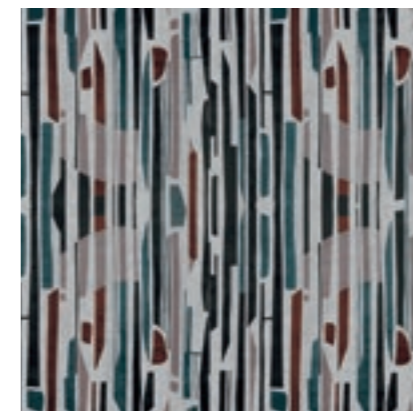

This wallpaper resembles intricate inlay work with wefts and decorative motifs that are interwoven and blend into each other. Not just a backdrop but an authentic complement to interior design.

BIG SIZE & FRAME

STAMPE DI DISEGN COME SCENOGRAFIE

La collezione Big sizes e Frame si connette ad un'idea scenografica per decorare le pareti di casa. Entrambe le collezioni sono composte da tele stampate con le grafiche e la creatività indipendente dei nostri designer. Quello che rende unici i Big Sizes sono le dimensioni, davvero imponenti, mentre i Frame, che sono sempre su tela, si distinguono per essere definiti in una cornice.

DESIGN PRINTS AS SCENIC DESIGN.

The 'Big Sizes' and 'Frame' collections connect with a scenographic idea for decorating the walls of homes. Both collections have canvases that are printed with the graphics and independent creativity of our designers. What makes the 'Big Sizes' collection unique is the size of the canvases, truly impressive, while 'Frame' stands out because the pieces, also on canvas, are defined by a frame.

BIG SIZES COLLECTION

Le dimensioni imponenti permettono di riempire gli spazi bianchi di ogni stanza. Appese alla parete o appoggiate per terra, le tele in due grandi formati e in moltissimi soggetti e fantasie - come elementi geometrici, etnici, botanici - diventano vere e proprie scenografie d'interni. Una soluzione che si riflette perfettamente nella necessità dei negozi, bar e ristoranti di avere una soluzione di effetto e bellezza per i propri ambienti, e allo stesso tempo facilissima da spostare.

Impressive sizes make it possible to fill the white spaces in every room. Hanging on the wall or placed on the floor, the canvases in two large sizes and with plenty of themes and patterns - for example geometric, ethnic, botanical elements - become true interior scenic designs. A solution that perfectly reflects the need for shops, bars and restaurants to have striking, beautiful pieces for their environments that are also very easy to move around.

FRAME COLLECTION

Le tele diventano stampe incorniciate disponibili in tre misure diverse, perfette anche abbinate tra loro, per dare luce e vita alle pareti più vuote. Sempre su tela sono una soluzione per chi vuole rinnovare spesso i propri ambienti, e spostarle sarà facilissimo.

Canvases become framed prints available in three different sizes, perfect even when combined, to give light and life to the emptiest walls. Always on canvas, they are a solution for those who want to renew their environments frequently, and they are also very easy to move around.

Appese alla parete o appoggiate a terra, le tele in due grandi formati e molteplici soggetti diventano vere e proprie scenografie d'interni.
